Dear Parents/Carers,

I am writing to you following an incident near the school gates after the end of the school day yesterday, Thursday 12th October.

The Academy were immediately alerted to this incident and students who were in the vicinity were returned to school. The police were notified, attended the school, met with students and staff and viewed CCTV footage. No students were harmed in this incident, and the police are now following through with their investigation.

Our school gates are staffed by members of SLT both before and after school every day, and will be supported by police officers today in order to answer any questions that members of our school community may have. There is no reason at all to anticipate any disturbance to the normal running of the school day and we would ask parents/carers to send all students to school as normal.

If you have any concerns regarding this incident, or wish to provide any information to the police in relation to this or any other incident in the community, please contact myself or a member of the senior leadership team.

Thank you for your support.

Yours faithfully,

Mrs L Monk
Principal
