Dear Parents/Carers

Further to my letter this morning I wanted to confirm that we continue to work with the police, and that a statement has been issued which confirms that:

Police were called to a school in Selly Oak just before 3.30pm yesterday (12 Oct) where a pupil reported being threatened with a knife. Officers arrived within minutes but the offender had left the scene.

Information has been received about a potential suspect and the enquiries are on-going.

Police have been present on the school gates this morning and again this afternoon to reassure students and families that students are safe in the academy and walking to and from school. As we go to the weekend I would want to reassure parents that this is the case: no student has been harmed as a result of this incident.

If you have any concerns please do not hesitate to contact the school to speak with a member of the senior leadership team.

Yours faithfully,

Lucy Monk
Principal
