

Dear Parents/Carers,

Re: Shenley Annual Sports Day – Friday 29th June 2018

I am writing to confirm the outline of the school day for our annual sports day this Friday. It's an exciting day in the school calendar and an opportunity for all of our students to represent their colleges in the range of races which take place. It is important that all students attend school as normal, as there are planned events and activities taking place both for those competing in races and those non-competitors who will remain in the school building.

We are currently in the midst of a heatwave and so we have changed the shape of our sports day to ensure that the majority of our races can be run in the morning, out of the main heat of the day. Temperatures are currently predicted to be around 28^oc and so we want to ensure that we can run and enjoy our event safely.

As such the school day will start as usual at **08.35am** with form time for all students, and we will then commence our races as early as period 1 of the school day. We have taken the decision to reduce the longer distance races and so our Sports Day is now scheduled to complete at **12.50pm**.

All students will then be registered in their form groups at 12.50pm inside the building and we will celebrate the success of those who have competed.

The school day will finish early on Friday 29th June at 1.00pm. All students will be dismissed from their form groups at 1.00pm and will be able to purchase a packed lunch from the Dining Room or collect a packed lunch from the Dining Room if they have an entitlement to free school meals. They will then be able to take them home with them.

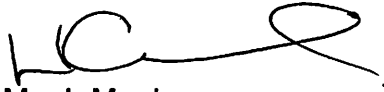

As the day is anticipated to be hot I would ask you to ensure that all students bring with them:

- Water, sun cream and a sun hat/cap
- Any medical requirements e.g. asthma inhaler or antihistamines

Students who are not competing are required to attend school in their normal school uniform, although I would suggest that they don't wear their jumpers. Students who are competing in Sports Day events can attend school in their Shenley PE kit.

I look forward to seeing all Shenley pupils in school on Friday.

Yours sincerely

Dear Parent/Carer,

As part of the Shenley Academy Sports Programme, I am delighted to announce details of our annual sports day which will take place on Friday 29th June. As in previous years, the event allows all students the opportunity to represent their college team which leads to impressive levels of participation. Please read the information in this letter carefully...

Key Information

Competitors should arrive to school in their PE Kit (Shenley Shorts and T-Shirt) and go to registration at the normal time of 8.35am.

Although areas of shade will be available for students to use during the event, please ensure your child applies sun cream before arriving to school and also brings their own **hat, sun cream, water** and any **necessary medical equipment** (e.g. inhalers and antihistamine).

The school day will finish earlier than normal with students being dismissed at 1.00pm following afternoon registration. There will be a packed lunch provided for those students who have requested one in advance through their form tutor.

Non-Competitors

Please note that non-competitors will follow their normal timetable for the day but of course we would actively encourage full participation in what promises to be a fantastic whole-school event.

To confirm, non-competitors will be also be dismissed at 1.00pm.

Many thanks,

Mr N Vaughan
APF for PE and Health
