16<sup>th</sup> November 2018

Dear Parents and Carers

We are writing to inform you of a change to the arrangements for students entering and leaving the academy site.

The reasons for making this change are based around the health and safety of our students. The Long Nuke Road entrance provides vehicular access to the academy car park, which clearly brings risks associated with moving traffic. On the other hand, the Shenley Lane entrance is for pedestrians only.

Therefore, as of Monday 26<sup>th</sup> November 2018 students will only be able to enter and leave the academy site via the entrance on Shenley Lane. The entrance via Long Nuke Road will only be used by staff and visitors.

By moving to a single entrance and exit for students we will also be able to have higher numbers of staff on duty around this location, supporting students in entering and leaving the site safely.

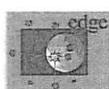

We understand that this change may cause some inconvenience for students who currently use the Long Nuke Road entrance, but we hope you will agree that moving to a single entrance for students will help to further ensure their safety when arriving and departing the site.

Thank you in anticipation of your co-operation.

Yours sincerely

Ian Horgan  
Senior Assistant Headteacher
