

22nd March 2019

Re: Immersion Day 2 – Year 7

Dear Parent/Carer,

On **Tuesday 26th March** the whole academy will be undertaking the second of three immersion days, which take place at specific points during the academic year. The purpose of these days is to educate students on topics and areas related to a specific citizenship theme. The second immersion day theme will be the importance of '**Healthy Living**'. Year 7 students will explore a variety of different areas related to the impact of exercise, being a good citizen, healthy minds, the environment and the importance of recycling as well as teaching the students about British values which we focus on within the academy.

Students will attend each of these sessions and will be expected to attend the day in full Shenley P.E. kit (**P.E. top, shorts, socks and trainers**). Due to current weather conditions, students will be allowed to arrive for the day in their dance jogging bottoms and academy jumper over the top; these will, however, have to be removed for the duration of the day when students arrive in the morning.

This proves to be yet another extremely exciting and beneficial day for our year 7 students as they will be able to relate the activities undertaken to their everyday lives. It is therefore essential that your son/daughter attends the school day as failure to do so will affect their overall attendance.

Yours sincerely,

Mr T Coy
Assistant Headteacher of Venus College
Shenley Academy
