To all Parents / Carers

Dear parents and carers

With the final term of the school year starting we are making a few changes to ensure the highest standards across the academy.

- Students must all have the correct equipment for lessons; this will ensure that lessons are able to take place without any distraction.
- Rewards Week, students who have outstanding attendance and have demonstrated excellent behaviour over the school year will receive a letter in the coming days regarding trips which will take place during the last week of term.
- Changes to sanctions: all detentions will now be on the same day that they are set, these will be 30mins in the first instance but could escalate to an hour if needed. Please note that all detentions for lack of equipment will be a same day 60 minute detention. A text message will be sent out to ensure that parents are aware.

Any issues please contact myself.

Yours faithfully
