27th February 2020

Dear Parent/Carer(s),

As an academy which has safeguarding at the forefront of everything we do, we would like to involve our families more in communicating the areas of focus we provide for your children through our PSHE lessons.

With this in mind, we are proud to launch our new 'Safeguarding Newsletter' which is provided to you as a way of understanding the content we deliver in these sessions, as well as providing any additional support you may need through the signposting of various contact numbers and websites which you may find useful. The newsletter is being emailed to you together with this letter today.

Alongside this newsletter, there will also be safeguarding stands at future parents' evenings where you will be able to gain access to a plethora of information intended to support both you and your child(ren).

I sincerely hope you find this publication an invaluable piece of information.

Yours sincerely,

Mr D Ewart
Assistant Headteacher
