13<sup>th</sup> March 2020

Dear Parent/Guardian(s),

We are closely monitoring the current coronavirus situation and are continuing to follow the latest advice and guidance issued to us by Public Health England. As you are aware it was announced on 12<sup>th</sup> March that England has moved to the delay phase but schools will remain open.

In the event that the Prime Minister makes the decision to close schools we will ensure that we provide materials for independent study at home. We are currently exploring learning platforms where students would complete work which can be monitored by their teacher. All students will be expected to complete any work set and we ask that you monitor and support this process. We will keep our website fully updated and we ask that you continue to check the website on a daily basis.

All staff will work remotely in the event of a closure and will be contactable via email during working hours.

For the avoidance of any doubt you should continue to send your child into school unless they develop any symptoms. For detailed guidance, please visit:  
<https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public>.

Yours sincerely,

Dr J Bartlett
