

Headteacher: Dr. J Bartlett – NPQH, PGCE, D.Phil, M.Chem **Specialisms:** Mathematics

23rd March 2020

Dear Parents/Carer(s),

Thank you for all of your uptake and enthusiasm with students learning remotely from home - the response has been fantastic!

There have been a few enquiries as to what students should be doing, so please follow the instructions below:

Every Shenley student must log onto www.senecalearning.com

Sign up as a student (using their Shenley Academy email address).

Accept the terms and conditions (with your parental consent).

Join the course using the relevant code for their year group:

Year 7 code: 71m35v0i0e

Year 8 code: d13pcom330

Year 9: 13au4qup6r

Year 10: d0c6hcwapn

Year 11: dfyshnlkix

As well as the work above, students will also find a timetable to adhere to on our website and the recommended time to spend on each topic, on a daily basis. This remote learning tool should be used in addition to any workbooks students were sent home with at Key Stage 4.

Thank you all for your support.

Kind regards,

Mr Lisbie
Assistant Head Teacher
