20th April 2020

Dear Parent/Carer,

I hope you have all had a restful Easter break, and welcome to the summer term.

We've all had to adapt to new ways of working, so I wanted to take the chance to say thank you for your support of us as a school and most importantly to thank you for supporting your child's wellbeing and learning during this time.

It is without doubt a challenging time, and it is understandable if you and your child feel anxious and frustrated at the moment but please remember we here are to offer you any guidance that you may need. If you have any concerns about helping your child learn or you need any other support from the school, please let us know by emailing shenley.enquiry@e-act.org.uk and we will direct your email to the appropriate member of staff. A new booklet has been published and will be available on the academy website as a further guide to supporting home learning.

We miss having the pupils in school, but we must continue to follow the government's guidance to keep everyone in our community safe. So, we're carrying on with our programme of online learning. Our teachers will be setting plenty of tasks for pupils to work through over the summer term but it is important that you remind your child to take breaks away from screens as well, and also make time for having fun and connecting 'virtually' with friends and family.

While we can't say yet when we'll be able to open the school fully, rest assured that we'll continue doing our utmost to keep pupils learning and the school connected.

Best wishes,

Dr. Jayne Bartlett
