16th September 2020

Dear Parents and Carers,

Following our recent letter to parents which included information on our procedures if students are displaying or suffering from possible Covid 19 symptoms, we will have a digital non-contact temperature checking device in academy which may be used should this situation arise.

This is to support our current measures in place to protect the health and safety of all students, staff and the wider community.

I would like to reassure you that this will only be used should a student display, or let us know that they are suffering with, possible Covid 19 symptoms

Kind regards,

Dr J Bartlett
Headteacher
