15th September 2020

Dear Parents and Carers,

Following the awarding of the GCSE results for 2020, we are writing to you to ask one last time if your son/daughter would like to have the opportunity to sit any of the examinations they missed in the summer of 2020 this coming November.

The examinations will be consistent with what students would have sat had the summer examinations taken place. Students can opt to sit just one subject or a selection of subjects.

If this is something your son/daughter would like to do, please could you email Shenleyexams2020@E-ACT.org.uk **by Thursday 17th September** and let us have the following information:

Student's full name

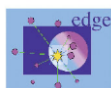

Subject (s) to be examined

Once we have finalised any entries we will again be in touch to share further details such as the location and time of the examinations.

Kind regards,

Mr M Berry
