September 2020

Dear parent/carers,

Students sent home displaying possible Coronavirus symptoms

Please note that for any students sent home if they are displaying suspected Coronavirus symptoms, parents should follow the latest government guidance re testing and self-isolation for the whole family.

The school must be notified immediately of the outcome of the test result, so that we are informed whether it was positive or negative.

Latest government guidance can be found here:

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

Students cannot return to academy until either proof of a negative test result is provided (including any siblings who attend the academy), or until they have self-isolated for 14 days or followed the latest government guidance.

Yours faithfully,

Dr J Bartlett
Headteacher
