Dear Parent / Carer

Year 7 Subject Groups

We would like to update you on assessments and subject groups for year 7 students.

All year 7 students have recently completed subject assessments in order that we can review their subject sets and ensure that they are appropriately grouped to reflect these assessments and their current levels. This means that their sets or groups for subjects will change as of Monday 5th October 2020.

Students should report to their current form on Monday and then they will receive their new timetable.

Yours sincerely

Miss E Smith
Senior Assistant Headteacher
