14th October 2020

Dear parents and carers,

I hope that this letter finds you and your family safe and well.

I am pleased to be able to confirm that we will be trialling the launch of live lessons for students who are self-isolating. This trial will be for Year 11 students only on Thursday 15th and Friday 16th of October, with the aim of a full academy launch of this provision for any students who are required to self-isolate on Monday 19th of October.

Our teachers have made sure that all the lessons that they deliver to our students in school will be available to all students remotely via Microsoft TEAMS. In most cases your child will be able to join the lesson live, along with the other students, from home. If your child is self-isolating or quarantining they are expected to join their live lessons via Teams, or complete the attached work for that lesson, if the live option is not available. They will need to follow their normal timetable and login on time, ready and prepared for the lesson.

Your child's teachers will send an invitation to their Shenley Academy email address so that they can join the lesson. It is imperative that your child accesses their daily live lessons to make sure that they continue to learn the curriculum and to make sure that they do not fall behind with their education.

I would like to thank you for your continued support of the academy during these challenging times.

If for any reason you would like to withdraw from this provision, please contact the School via the progress lead for their year group:

Year 7/8	Mr Burns: Jahniaah.Burns@E-ACT.org.uk>
Year 9/10	Mr Robbins: Karl.Robbins@E-ACT.org.uk>
Year 11	Mr Moy: Ben.Moy@E-ACT.org.uk>

Kind regards,

D Thacker-Smith

Mr D Thacker-Smith

Assistant Head teacher
