20<sup>th</sup> November 2020

Dear Parents and Carers,

We are excited to inform you that your child has the opportunity to participate in the MyTutor Programme, which we have been running at Shenley Academy for the last three years.

MyTutor enables students to access 1:1 online Mathematics tuition with trained University undergraduates, and has the potential to significantly improve academic outcomes for participants.

Sessions will run after-school on Wednesdays in weekly, one-hour sessions that commence on Wednesday 2nd December 2020. Although the programme is costly, this has been funded in collaboration with our partners, the University of Birmingham and Aimhigher Plus. This tuition is at no cost to the student and will be supervised by a member of academy staff.

You are receiving this letter because your child is eligible to take part. **Places are very limited and will be allocated on a first-come-first-serve basis.** Consequently, if you would like to get involved in this excellent opportunity please contact me via [shenley.enquiry@e-act.org.uk](mailto:shenley.enquiry@e-act.org.uk) by Tuesday 24<sup>th</sup> November informing me that your child would like to take up this place.

If you have any queries about Mytutor or the Aimhigher Plus programme, please contact me to discuss further.

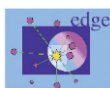

We look forward to hearing from you!

Kind Regards,

**S Beeston**
