Dear parents and carers,

National Schools Breakfast Programme – Bagels for Year 7 & 8 students

We have been fortunate to be selected as part of the National Schools Breakfast Programme. As a partner school, we will be able to provide free daily breakfasts to all students in years 7 and 8. This will be in the form of a bagel. The programme will begin on Friday 6th November, and bagels will be delivered to your child's form room first thing in the morning.

For the first two weeks, students will be offered a minimum of half a bagel as a sample so that they can decide whether or not they wish to have a whole bagel on a regular basis. There is no obligation for students to have a bagel, but we hope that they will welcome this initiative.
