**Candidate late arrival policy**

If a candidate arrives at school within an hour of the awarding body’s published start time (and the exam is still in progress) the candidate will be permitted to sit the exam and take the full time allowed where possible.

If a candidate arrives an hour or more after the awarding body’s published start time of the exam (and the exam is still in progress) the candidate will be advised that it is unlikely that the awarding body will accept the paper if they sit the exam. The candidate is given the option to sit the paper.

If a candidate arrives after the exam has finished, they will not be permitted to sit the exam.

Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the exams process at Shenley Academy. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.

Alongside internal processes, this plan is informed by the Exam system contingency plan: England, Wales and Northern Ireland which provides guidance in the publication What schools and colleges and other centres should do if exams or other assessments are seriously disrupted.

This plan also confirms Shenley Academy is compliant with the JCQ regulation (section 5.3, General Regulations for Approved Centres 2019-2020) that the centre has in place a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or staff absence.

Centre actions to mitigate the impact of the disruption

▶ Headteacher, Governors and SLT to take necessary action.
▶ Contact local schools and colleges to request support.

9. Candidates unable to take examinations because of a crisis – centre remains open

Criteria for implementation of the plan

Candidates are unable to attend the examination centre to take examinations as normal

Centre actions to mitigate the impact of the disruption

▶ Consideration would be given on an individual basis as to why they were unable to attend the exam. The Awarding Body would be contacted and special consideration applied for.

10. Centre unable to open as normal during the exams period (including in the event of the centre being unavailable for examinations owing to an unforeseen emergency)

Criteria for implementation of the plan

Disruption to the distribution of examination papers to the centre in advance of examinations

Centre actions to mitigate the impact of the disruption

▶ EO makes entries by the deadlines set by the Awarding Bodies
▶ EO logs all incoming papers against papers expected and contacts Awarding Body if papers not received a week before the exam is to be sat
▶ If the centre doesn’t have the papers on the day of the exam, the EO will contact the Awarding Body to request an electronic version of the paper to photocopy (copier would be manned by a member of the exams team and all other centre staff kept away whilst copying was being done).

12. Disruption to the transportation of completed examination scripts

- Exam scripts are kept secure in the care of an invigilator until handed to the EO.
- EO would contact Awarding Body for further advice.

### 14. Centre unable to distribute results as normal (including in the event of the centre being unavailable on results day owing to an unforeseen emergency)

### Criteria for implementation of the plan

**Centre is unable to access or manage the distribution of results to candidates, or to facilitate post-results services**

### Centre actions to mitigate the impact of the disruption

- In the event that the centre is inaccessible, local schools would be contacted and the request made to use their facilities to print off results information.
- If the centre is inaccessible to pupils on results day, the EO and Headteacher would attempt to hire a local venue for the distribution of results.
- If possible texts/emails would be sent to pupils.
- Notices would be placed around the entrances (or as close as possible) to the school grounds.

### Further guidance to inform procedures and implement contingency planning

In the event of a student testing positive for COVID-19 we would follow the current guidance from PHE & follow the track and trace procedure at Shenley Academy. We would contact the exam boards for guidance, apply for special consideration for the student if they qualify. The student will have the option to re-sit the examination at the earliest opportunity.
What schools and colleges and other centres should do if exams or other assessments are seriously disrupted

1. Contingency planning
You should prepare for possible disruption to exams and other assessments as part of your emergency planning and make sure your staff are aware of these plans.

When drafting contingency plans, you should consider the following guidance...

2. Disruption to assessments or exams
In the absence of any instruction from the relevant awarding organisation, you should make sure that any exam or timetabled assessment takes place if it is possible to hold it. This may mean relocating to alternative premises.

You should discuss alternative arrangements with your awarding organisation if:

• the exam or assessment cannot take place
• a student misses an exam or loses their assessment due to an emergency, or other event, outside of the student’s control

3. Steps you should take

3.1 Exam planning
Review contingency plans well in advance of each exam or assessment series. Consider how, if the contingency plan is invoked, you will comply with the awarding organisation’s requirements.

3.2 In the event of disruption

1. Contact the relevant awarding organisation and follow its instructions.
2. Take advice, or follow instructions, from relevant local or national agencies in deciding whether your centre is able to open.
3. Identify whether the exam or timetabled assessment can be sat at an alternative venue, in agreement with the relevant awarding organisation, ensuring the secure transportation of questions papers or assessment materials to the alternative venue.
4. Where accommodation is limited, prioritise students whose progression will be severely delayed if they do not take their exam or timetabled assessment when planned.
5. In the event of an evacuation during an examination please refer to JCQ’s ‘Centre emergency evacuation procedure’.
6. Communicate with parents, carers and students any changes to the exam or assessment timetable or to the venue.
7. Communicate with any external assessors or relevant third parties regarding any changes to the exam or assessment timetable. 3.3 After the exam

1. Consider whether any students’ ability to take the assessment or demonstrate their level of attainment has been materially affected and, if so, apply for special consideration.
2. Advise students, where appropriate, of the opportunities to take their exam or assessment at a later date.
3. Ensure that scripts are stored under secure conditions.
4. Return scripts to awarding organisations in line with their instructions. Never make alternative arrangements for the transportation of completed exam scripts, unless told to do so by the awarding organisation.

3.3 After the exam

1. Consider whether any students’ ability to take the assessment or demonstrate their level of attainment has been materially affected and, if so, apply for special consideration.
2. Advise students, where appropriate, of the opportunities to take their exam or assessment at a later date.
3. Ensure that scripts are stored under secure conditions.
4. Return scripts to awarding organisations in line with their instructions. Never make alternative arrangements for the transportation of completed exam scripts, unless told to do so by the awarding organisation.

4. Steps the awarding organisation should take

4.1 Exam planning
Establish and maintain, and at all times comply with, an up-to-date, written contingency plan.

Ensure that the arrangements in place with centres and other third parties enable them to deliver and award qualifications in accordance with their conditions of recognition.

4.2 In the event of disruption

1. Take all reasonable steps to mitigate any adverse effect, in relation to their qualifications, arising from any disruption.
2. Provide effective guidance to any of their centres delivering qualifications.
3. Ensure that where an assessment must be completed under specified conditions, students complete the assessment under those conditions (other than where any reasonable adjustments or special considerations require alternative conditions).

4. Promptly notify the relevant regulators about any event which could have an adverse effect on students, standards or public confidence.

5. Coordinate its communications with the relevant regulators where the disruption has an impact on multiple centres or a wide range of learners.

4.3 After the exam

Consider any requests for special consideration for affected students. For example, those who may have lost their internally assessed work or whose performance in assessments or exams could have been affected by the disruption.

5. **If any students miss an exam or are disadvantaged by the disruption**

If some of the students have been adversely affected by the disruption, you should ask the awarding organisation about applying for special consideration.

Decisions about special consideration, when it is or is not appropriate, is for each awarding organisation to make. Their decisions might be different for different qualifications and for different subjects.

See also:

- JCo's guidance on special considerations
- FAB's guidance on special considerations

6. Wider communications

The regulators, Ofqual in England, Qualifications Wales in Wales and CCEA in Northern Ireland, will share timely and accurate information, as required, with awarding organisations, government departments and other stakeholders.

The Department for Education in England, the Department of Education in Northern Ireland and the Welsh Government will inform the relevant government ministers as soon as it becomes apparent that there will be significant local or national disruption; and ensure that they are kept updated until the matter is resolved.

Awarding organisations will alert the Universities and Colleges Admissions Service (UCAS) and the Central Applications Office (CAO) about any impact of the disruption on their deadlines and liaise regarding student progression to further and higher education.

Awarding organisations will alert relevant professional bodies or employer groups if the impact of disruption particularly affects them.

7. **Widespread national disruption**

In the event of widespread sustained national disruption, the government departments will communicate with regulators, awarding organisations and centres prior to a public announcement. Regulators will provide advice to government departments on implications for exam timetables.

JCQ  

15.1 The qualification regulators, JCQ and government departments responsible for education have prepared and agreed information for schools and colleges in the event of examinations being seriously disrupted. This jointly agreed information will ensure consistency of response in the event of major disruption to the examinations system affecting significant numbers of candidates. Further information may be found at:  

15.2 In addition, awarding bodies have their own well-established contingency plans in place to respond to disruptions. It is important that exam officers who are facing disruption liaise directly with the relevant awarding body/bodies.  

15.3 Centres should prepare plans for any disruption to examinations as part of their general emergency planning. It is important to ensure that relevant centre staff are familiar with the plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.  

15.4 In the event that the head of centre decides the centre cannot be opened for scheduled examinations, the relevant awarding body must be informed as soon as possible. Awarding bodies will be able to offer advice regarding the alternative arrangements for conducting examinations that may be available and the options for candidates who have not been able to take scheduled examinations.  

15.5 The awarding bodies will designate a ‘contingency day’ for examinations, summer 2021. This is consistent with the qualification regulators’ document Exam system contingency plan: England, Wales and Northern Ireland:  
The designation of a ‘contingency day’ within the common examination timetable is in the event of national or significant local disruption to examinations. It is part of the awarding bodies’ standard contingency planning for examinations.  

In the event of national disruption to a day of examinations in summer 2021, the awarding bodies will liaise with the qualification regulators and government departments to agree the most appropriate option for managing the impact. As a last resort the affected examinations will be rescheduled. Although every effort would be taken to keep the impact to a minimum, it is possible that there could be more than one timetable date affected following the disruption, up to and including the contingency day. Centres will be alerted if it is agreed to reschedule the examinations and the affected candidates will be expected to make themselves available in such circumstances. The decision regarding the rescheduling of examinations will always rest with the awarding body. The centre must conduct the examination on the scheduled date unless instructed to do otherwise by the awarding body.

Internal appeals procedures

1. Appeals against internal assessment decisions (centre assessed marks)

This procedure confirms Shenley Academy compliance with JCQ’s General Regulations for Approved Centres 2019-2019, section 5.7 that the centre has in place “a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates” and that the centre “must inform candidates of their centre assessed marks. A candidate is allowed to request a review of the centre’s marking before marks are submitted to the awarding body.”

Certain components of GCSE (and GCSE non-examination assessments) and other qualifications that contribute to the final grade of the qualification are internally assessed (marked) by the centre. The marks awarded (the internal assessment decisions) are then submitted by the deadline set by the awarding body for external moderation.

Shenley Academy is committed to ensuring that whenever its staff mark candidates’ work this is done fairly, consistently and in accordance with the awarding body’s specification and subject-specific associated documents.
Shenley Academy ensures that all centre staff follow a robust *Non-examination assessment policy* (for the management of GCSE non-examination assessments). This policy details all procedures relating to non-examination assessments, including the marking and quality assurance processes which relevant teaching staff are required to follow.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Shenley Academy is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of his/her work, or that the assessor has not properly applied the mark scheme to his/her marking, then he/she may make use of the appeals procedure below to consider whether to request a review of the centre's marking.

Shenley Academy will

1. ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body.

2. inform candidates that they may request copies of materials (for example, a copy of their marked work, the relevant specification, the mark scheme and any other associated subject-specific documents) to assist them in considering whether to request a review of the centre's marking of the assessment.

3. having received a request for copies of materials, promptly make them available to the candidate within 5 school days.

4. provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision.

5. Requests for a review of the centre’s marking **must** be made by a parent/carer in writing within 5 school days of receiving copies of the requested materials by completing the **internal appeals form**.

6. allow 10 school days for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline.
7. ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.

8. instruct the reviewer to ensure that the candidate’s mark is consistent with the standard set by the centre.

9. inform the candidate in writing of the outcome of the review of the centre’s marking. The outcome of the review of the centre’s marking will be made known to the head of centre. A written record of the review will be kept and made available to the awarding body upon request.

The moderation process carried out by the awarding bodies may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that centre marking is line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.

2. Appeals against the centre’s decision not to support a clerical check, a review of marking, a review of moderation or an appeal

This procedure confirms Shenley Academy’s compliance with JCQ’s *General Regulations for Approved Centres 2019-2019, section 5.13* that the centre has in place “a written internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support a clerical check, a review of marking, a review of moderation or an appeal...”

Following the issue of results, awarding bodies make post-results services available. Full details of these services, internal deadlines for requesting a service and fees charged are provided by the exams officer.

Candidates are also informed of the arrangements for post-results services before they sit any exams and the accessibility of senior members of centre staff immediately after the publication of results in the Candidate exam handbook.

If the centre or a candidate (or his/her parent/carer) has a concern and believes a result may not be accurate, a review of the result may be requested.

**Reviews of Results (RoRs)** offers three services.

- Service 1 – clerical re-check
- Service 2 – review of marking
- Service 3 – review of moderation (this service is not available to an individual candidate)

Written candidate consent is required in all cases before a request for a RoR service 1 or 2 is submitted to the awarding body as with these services candidates’ marks and
subject grades may be lowered. Candidate consent can only be collected after the publication of results.

If a concern is raised about a particular examination result, the exams officer and teaching staff will investigate the feasibility of requesting a review supported by the school. An RoR initiated by a candidate (or parent/carer) must be paid for before the RoR is submitted to the awarding body.

If the candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision not to support a review, an internal appeal can be submitted to the centre by completing the internal appeals form at least 8 school days prior to the internal deadline for submitting a request for a review.

The appellant will be informed of the outcome of his/her appeal before the internal deadline for submitting a RoR.

Following the RoR outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal. The JCQ publications Post-Results Services and JCQ Appeals Booklet (A guide to the awarding bodies’ appeals processes) will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the RoR outcome, but the candidate (or his/her parent/carer) believes there are grounds for a preliminary appeal to the awarding body, a further internal appeal may be made to the head of centre. Following this, the head of centre’s decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the JCQ Appeals Booklet. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

The internal appeals form should be completed and submitted to the centre within 8 calendar days of the notification of the outcome of the RoR. Subject to the head of centre’s decision, this will allow the centre to process the preliminary appeal and submit to the awarding body within the required 30 calendar days of receiving the outcome of the review of results process. Awarding body fees which may be charged for the preliminary appeal, must be paid to the centre by the appellant before the preliminary appeal is submitted to the awarding body (fees are available from the exams officer). If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.

- Failure to inform/update candidate on the outcome of a special consideration application
Results and Post-results

- Before exams, candidate not made aware of the arrangements for post-results services and the accessibility of senior members of centre staff after the publication of results
- Candidate not having access to a member of senior staff after the publication of results to discuss/make decision on the submission of an enquiry
- Candidate request for return of work after moderation and work not available/disposed of earlier than allowed in the regulations
- Candidate (or parent/carer) unhappy with a result (complainant to refer via exams officer to awarding body post-results services)
- Candidate (or parent/carer) unhappy with a centre decision not to support a clerical check, a review of marking, a review of moderation or an appeal
- Centre applied for the wrong post-results service/for the wrong exam paper for a candidate
- Centre missed awarding body deadline to apply for a post-results service
- Centre applied for a post-results service for candidate without gaining required candidate consent/permission
Complaints and appeals procedure

If a candidate (or his/her parent/carer) has a general concern or complaint about the centre’s delivery or administration of a qualification he/she is following, Shenley Academy encourages him/her to try to resolve this informally in the first instance. A concern or complaint should be made in writing to the headteacher.

If a complaint fails to be resolved informally, the candidate (or his/her parent/carer) is then at liberty to make a formal complaint.

How to make a formal complaint

- A complaint should be submitted in writing by completing a complaints and appeals form
- Forms are available on the website through this policy
- Completed forms should be returned to the headteacher
- Forms received will be logged by the centre and acknowledged within 2 calendar days

How a formal complaint is investigated

- The headteacher will further investigate or appoint a member of the senior leadership team (who is not involved in the grounds for complaint and has no personal interest in the outcome) to investigate the complaint and report on the findings and conclusion
- The findings and conclusion will be provided to the complainant within 3 working weeks

Appeals

Following the outcome, if the complainant remains dissatisfied and believes there are clear grounds, an appeal can be submitted.

- Any appeal must be submitted in writing by again completing a complaints and appeals form
- Forms received will be logged by the centre and acknowledged within 3 calendar days
- The appeal will be referred to the Chair of Governors for consideration
- The Chair of Governors will inform the appellant of the final conclusion in due course

What are access arrangements and reasonable adjustments?

Access arrangements

“Access arrangements are agreed before an assessment. They allow candidates with specific needs, such as special educational needs, disabilities or temporary injuries to access the assessment and show what they know and can do without changing the demands of the assessment. The intention behind an access arrangement is to meet the particular needs of an individual candidate without affecting the integrity of the assessment. Access arrangements are the principal way in which awarding bodies comply with the duty under the Equality Act 2010* to make ‘reasonable adjustments’.

[AA Definitions, page 3]

Reasonable adjustments

The Equality Act 2010* requires an awarding body to make reasonable adjustments where a candidate, who is disabled within the meaning of the Equality Act 2010, would be at a substantial disadvantage in comparison to someone who is not disabled. The awarding body is required to take reasonable steps to overcome that disadvantage. An example would be a Braille paper which would be a reasonable adjustment for a vision impaired candidate who could read Braille. A reasonable adjustment may be unique to that individual and may not be included in the list of available access arrangements. Whether an adjustment will be considered reasonable will depend on a number of factors which will include, but are not limited to:

• the needs of the disabled candidate;
• the effectiveness of the adjustment; • the cost of the adjustment; and
• the likely impact of the adjustment upon the candidate and other candidates.

An adjustment will not be approved if it:
• involves unreasonable costs to the awarding body;
• involves unreasonable timeframes; or
• affects the security and integrity of the assessment.

This is because the adjustment is not ‘reasonable’.”

[AA Definitions, page 3]

Purpose of the policy

The purpose of this policy is to confirm that Shenley Academy has a written record which clearly shows the centre is leading on the access arrangements process and is complying with its “…obligation to identify the need for, request and implement access arrangements…”

[JCQ General Regulations for Approved Centres, 5.5]

This publication is further referred to in this policy as GR

This policy is maintained and held by the SENCo and Exams Officer alongside the individual files of each access arrangements candidate. Each file contains detailed
records of all the essential information that is required to be held according to the regulations.

The policy is annually reviewed to ensure that processes are carried out in accordance with the current edition of the JCQ publication Adjustments for candidates with disabilities and learning difficulties Access Arrangements and Reasonable Adjustments.

This publication is further referred to in this policy as AA

**Disability policy (exams)**

A large part of the access arrangements process is covered in the Disability policy (exams) which covers staff roles and responsibilities in identifying the need for, requesting and implementing access arrangements and the conduct of exams. The academy’s disability policy (exams) can be found at the end of the exams policy (Appendix 3).

The access arrangements policy further covers the assessment process and related issues in more detail.

**The assessment process**

Assessments are carried out by an assessor(s) appointed by the head of centre. The assessor(s) is (are) appropriately qualified as required by JCQ regulations in AA 7.3.

**The qualification(s) of the current assessor(s)**

Diploma for teachers of pupils with specific learning difficulties.

**Appointment of assessors of candidates with learning difficulties**

At the point an assessor is engaged/employed in the centre, evidence of the assessor’s qualification is obtained and checked against the current requirements in AA. This process is carried out prior to the assessor undertaking any assessment of a candidate.

**Checking the qualification(s) of the assessor(s)**

We book an assessor through Pupil and School Support. When we make the appointment we ask that they bring a copy of their qualification certificate with them.

**Reporting the appointment of the assessor(s)**

The assessor will be named as the assessor on Access arrangements online (AAO) via the Centre Admin Portal (CAP).
Process for the assessment of a candidate’s learning difficulties by an assessor

Where a candidate has learning difficulties and is not subject to a current Education, Health and Care Plan, the SENCo is painting a picture of need and demonstrating the candidate’s normal way of working and completing Section A of Form 8 prior to the candidate being assessed.

Shenley Academy get Pupil Support Services (through Access to Education) into school to test pupils using assessments such as the WRAT 4 testing suite.

Following the test, the assessor completes Section C of Form 8.

Painting a picture of need and gathering evidence to demonstrate normal way of working

Teaching assistants are deployed for pupils with an identified need. Scribes are assigned as soon as need is identified.

Teaching staff are given a SEN strategies and information booklet at the start of the year to support SEN learners and ensure that they receive the support that they are entitled to.

The SENCo will provide background information to the assessor by completing Section A of Form 8. This will be given to the assessor before any assessments are conducted.

Processing access arrangements

Arrangements requiring awarding body approval

Access arrangements online (AAO) is a tool provided by JCQ member awarding bodies for centres to apply for required access arrangement approval for the qualifications listed on front page of AAO. This tool also provides the facility to order modified papers for those qualifications listed on page 74.

AAO is accessed by logging in to any of the awarding body secure extranet sites. A single application is required for each candidate regardless of the awarding body used.

The Exams Officer processes all access arrangements using the signed form 8 and/or SENCo letter (checking that there is a signed data protection notice and supporting evidence) along with the SENCo. The AAO confirmation is printed off and kept with the other documentation ready for JCQ inspection.

Centre-delegated access arrangements

Evidence is gathered through correspondence from family GPs, referrals from outside agencies and teacher / TA observations.
Centre-specific criteria for particular access arrangements

Word processor policy (exams)

An exam candidate may be approved the use of a word processor where this is appropriate to the candidate’s needs and not simply because this is the candidate’s preferred way of working within the centre.

The academy’s word processor policy (exams) can be found at the end of the exams policy (Appendix 6).

Separate invigilation within the centre

A decision where an exam candidate may be approved separate invigilation within the centre will be made by the SENCo.

The decision will be based on

- whether the candidate has a substantial and long term impairment which has an adverse effect; and
- the candidate’s normal way of working within the centre \[\text{AA 5.16}\]

This policy is reviewed and updated annually on the publication of updated JCQ regulations and guidance on access arrangements and instructions for conducting exams. References in this policy to AA and ICE relate to/are directly taken from the Access Arrangements and Reasonable Adjustments 2020-2021 and Instructions for Conducting Examinations 2020-2021 publications.

Introduction

(AA 4.2.1)
The purpose of an access arrangement is to ensure, where possible, that barriers to assessment are removed for a disabled candidate preventing him/her from being placed at a substantial disadvantage as a consequence of persistent and significant difficulties. The integrity of the assessment is maintained, whilst at the same time providing access to assessments for a disabled candidate.

(AA 4.2.2)
Although access arrangements are intended to allow access to assessments, they cannot be granted where they will compromise the assessment objectives of the specification in question.

(AA 4.2.3)
Candidates may not require the same access arrangements in each specification. Subjects and their methods of assessments may vary, leading to different demands of the candidate. SENCos should consider the need for access arrangements on a subject-by-subject basis.

Purpose of the policy

This policy details how Shenley Academy complies with AA (chapter 4) Adjustments for candidates with disabilities and learning difficulties and (chapter 5.8) Word processor when awarding and allocating a candidate the use of word processor in his/her exams.

The term ‘word processor’ is used to describe for example, the use of a computer, laptop or tablet.

The use of a word processor

The centre will

- allocate the use of a word processor to a candidate where it is their normal way of working within the centre (AA 5.8.1)
- award the use of a word processor to a candidate if it is appropriate to their needs
  Needs may include
  - a learning difficulty which has a substantial and long term adverse effect on his/her ability to write legibly
  - a medical condition
  - a physical disability
• a sensory impairment;
• planning and organisational problems when writing by hand (AA 5.8.4)

- only permit the use of a word processor where the integrity of the assessment can be maintained (AA 4.2.1)
- not grant the use of a word processor where it will compromise the assessment objectives of the specification in question (AA 4.2.2)
- consider on a subject-by-subject basis if the candidate will need to use a word processor in each specification (AA 4.2.3)
- consider the needs of the candidate at the start of the candidate’s course leading to a qualification based on evidence gathered that firmly establishes the candidates' needs and 'normal way of working' in the classroom, internal tests/exams, mock exams etc. and confirm arrangements in place before the candidate takes an exam or assessment (AA 4.2.4)
- provide access to word processors to candidates in non-examination assessment components as standard practice unless prohibited by the specification (AA 5.8.2)

The centre will not
- simply grant the use of a word processor to a candidate because he/she prefers to type rather than write or can work faster on a keyboard, or because he/she uses a laptop at home (AA 5.8.4)

**Exception**

The only exception to the above where the use of a word processor would be considered for a candidate would be
- in the event of a temporary injury or impairment, or a diagnosis of a disability or manifestation of an impairment relating to an existing disability arising after the start of the course (AA 4.2.4)

**Arrangements at the time of the assessment for the use of a word processor**

A candidate using a word processor is accommodated [detail your centre’s arrangements e.g. in main venue with the main cohort; in a different room etc.]

To comply with ICE 14, the centre

- provides a word processor with the spelling and grammar check facility/predictive text disabled (switched off) (ICE 14.20)
- (where a candidate is to be seated with the main cohort without the use of a power point) checks the battery capacity of the word processor before the candidate’s exam to ensure that the battery is sufficiently charged for the entire duration of the exam (ICE 14.21)
- ensures the candidate is reminded to ensure that his/her centre number, candidate number and the unit/component code appear on each page as a header or footer e.g. 12345/8001 – 6391/01 (ICE 14.22)
If a candidate is using the software application Notepad or Wordpad these do not allow for the insertion of a header or footer. In such circumstances once the candidate has completed the examination and printed off his/her typed script, he/she must handwrite their details as a header or footer. The candidate must be supervised to ensure that he/she is solely performing this task and not re-reading their answers or amending their work in any way.

- ensures the candidate understands that each page of the typed script must be numbered, e.g. page 1 of 6 (ICE 14.23)
- ensures the candidate is reminded to save his/her work at regular intervals. (or where possible, an IT technician will set up ‘autosave’ on each laptop/tablet)
- instruct the candidate to use a minimum of 12pt font and double spacing in order to assist examiners when marking (ICE 14.24)

(ICE 14.25)
The centre will ensure the word processor

- is in good working order at the time of the exam
- is accommodated in such a way that other candidates are not disturbed and cannot read the screen
- is used as a type-writer, not as a database, although standard formatting software is acceptable and is not connected to an intranet or any other means of communication
- is cleared of any previously stored data
- does not give the candidate access to other applications such as a calculator (where prohibited in the examination), spreadsheets etc.
- does not include graphic packages or computer aided design software unless permission has been given to use these
- does not have any predictive text software or an automatic spelling and grammar check enabled unless the candidate has been permitted a scribe or is using speech recognition technology (a scribe cover sheet must be completed), or the awarding body’s specification permits the use of automatic spell checking
- does not include speech recognition technology unless the candidate has permission to use a scribe or relevant software
- is not be used on the candidate’s behalf by a third party unless the candidate has permission to use a scribe

**Portable storage medium**

The centre will ensure that any portable storage medium (e.g. a memory stick) used

- is provided by the centre
- is cleared of any previously stored data

**Printing the script after the exam is over**

The centre will ensure

- the word processor is either connected to a printer so that a script can be printed off, or have the facility to print from a portable storage medium
- the candidate is present to verify that the work printed is his or her own
a word processed script is attached to any answer booklet which contains some of the answers
a word processor cover sheet (Form 4) is completed and included with the candidate’s typed script (according to the relevant awarding body’s instructions)

Appendix 7

The criteria Shenley Academy uses to award and allocate word processors for examinations

The ‘normal way of working’ for exam candidates, as directed by the head of centre, is that candidates handwrite their exams. An exception to this is where a candidate may have an approved access arrangement in place, for example the use of a scribe.

Awarding word processors
There are also exceptions where a candidate may be awarded/allocated the use of a word processor in exams where he/she has a firmly established need, it reflects the candidate’s normal way of working and by not being awarded a word processor would be at a substantial disadvantage to other candidates.

Needs might include where a candidate has, for example:
- a learning difficulty which has a substantial and long term adverse effect on their ability to write legibly
- a medical condition
- a physical disability
- a sensory impairment
- planning and organisational problems when writing by hand

The only exception to the above where the use of a word processor may be considered for a candidate would be
- on a temporary basis as a consequence of a temporary injury at the time of the assessment

Allocating word processors
Appropriate exam-compliant word processors will be allocated by the IT department in liaison with the SENCo and the exams officer. In exceptional circumstances where the number of appropriate word processors may be insufficient for the cohort of candidates approved to use them in an exam session, the cohort will be split into two groups. One group will sit the exam earlier than or later than the awarding body’s published start time. The security of the exam will be maintained at all times and candidates will be supervised in line with section 7 of ICE.

What does this policy affect?

This policy affects the delivery of subjects of GCSE qualifications which contain a component(s) of non-examination assessment.

The regulator’s definition of an examination is very narrow and in effect any type of assessment that is not ‘externally set and taken by candidates at the same time under controlled conditions’ is classified as non-examination assessment (NEA). ‘NEA’ therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as ‘NEA’.

[Definition taken directly from the JCQ publication Instructions for conducting non-examination assessments, Foreword] This publication is further referred to in this policy as NEA

Purpose of the policy

The purpose of this policy, as defined by JCQ, is to

- cover procedures for planning and managing non-examination assessments
- define staff roles and responsibilities with respect to non-examination assessments
- manage risks associated with non-examination assessments

The policy will need to cover all types of non-examination assessment. [NEA 1]

What are non-examination assessments?

This is explained in NEA.

Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- task setting;
- task taking;
- task marking. [NEA 1]
Procedures for planning and managing non-examination assessments identifying staff roles and responsibilities

The basic principles

Head of centre

- Provides a signed declaration as part of the National Centre Number Register Annual Update to confirm awareness of and that relevant centre staff are adhering to the latest version of NEA
- Ensures the centre’s non-examination assessment policy is fit for purpose
- Ensures the centre’s internal appeals procedures clearly detail the procedure to be followed by candidates (or their parents/carers) appealing against internal assessment decisions (centre assessed marks) and requesting a review of the centre’s marking

Senior leaders

- Ensure the correct conduct of non-examination assessments (including endorsements) which comply with NEA and awarding body subject-specific instructions
- Ensure the centre-wide calendar records assessment schedules by the start of the academic year

Quality assurance (QA) lead/Lead internal verifier

- Confirms with subject heads that appropriate awarding body forms and templates for non-examination assessments (including endorsements) are used by teachers and candidates
- Ensures appropriate procedures are in place to internally standardise/verify the marks awarded by subject teachers in line with awarding body criteria
- Ensures appropriate centre-devised templates are provided to capture/record relevant information given to candidates by subject teachers
- Ensures appropriate centre-devised templates are provided to capture/record relevant information is received and understood by candidates
- Where not provided by the awarding body, ensures a centre-devised template is provided for candidates to keep a detailed record of their own research, planning, resources etc. Subject head/lead
- Ensures subject teachers understand their role and responsibilities within the nonexamination assessment process
- Ensures NEA and relevant awarding body subject specific instructions are followed in relation to the conduct of non-examination assessments (including endorsements)
- Works with the QA lead/Lead internal verifier to ensure appropriate procedures are followed to internally standardise/verify the marks awarded by subject teachers

Subject teacher

- Understands and complies with the general instructions as detailed in NEA
Where these may also be provided by the awarding body, understands and complies with the awarding body’s specification for conducting non-examination assessments, including any subject-specific instructions, teachers’ notes or additional information on the awarding body’s website.

Marks internally assessed work to the criteria provided by the awarding body.

Ensures the exams officer is provided with relevant entry codes for subjects (whether the entry for the internally assessed component forms part of the overall entry code for the qualification or is made as a separate unit entry code) to the internal deadline for entries by the exams officer.

Signposts the annually updated JCQ publication NEA to relevant centre staff.

Carries out tasks where these may be applicable to the role in supporting the administration/management of non-examination assessment.

**Task setting**

**Subject teacher**

Selects tasks to be undertaken where a number of comparable tasks are provided by the awarding body OR designs tasks where this is permitted by criteria set out within the subject specification.

Makes candidates aware of the criteria used to assess their work.

**Issuing of tasks**

**Subject teacher**

- Determines when set tasks are issued by the awarding body.
- Identifies date(s) when tasks should be taken by candidates.
- Accesses set tasks in sufficient time to allow planning, resourcing and teaching and ensures that materials are stored securely at all times.
- Ensures requirements for legacy specification tasks and new specification tasks are distinguished between.

**Task taking**

**Supervision**

**Subject teacher**

- Checks the awarding body’s subject-specific requirements ensuring candidates take tasks under the required conditions and supervision arrangements.
- Ensures there is sufficient supervision to enable the work of a candidate to be authenticated.
- Ensures there is sufficient supervision to ensure the work a candidate submits is their own.
- Is confident where work may be completed outside of the centre without direct supervision, that the work produced is the candidate’s own.
Where candidates may work in groups, keeps a record of each candidate’s contribution

Ensures candidates are aware of the current JCQ documents Information for candidates - nonexamination assessments and Information for candidates - Social Media

Ensures candidates understand and comply with the regulations in relevant JCQ documents Information for candidates

**Advice and feedback**

**Subject teacher**

- As relevant to the subject/component, advises candidates on relevant aspects before candidates begin working on a task
- Will not provide candidates with model answers or outlines/headings specific to the task
- When reviewing candidates’ work, unless prohibited by the specification, provides oral and written advice at a general level to candidates
- Allows candidates to revise and re-draft work after advice has been given at a general level
- Records any assistance given beyond general advice and takes it into account in the marking or submits it to the external examiner
- Ensures when work has been assessed, candidates are not allowed to revise it

**Resources**

**Subject teacher**

- Refers to the awarding body’s specification and/or associated documentation to determine if candidates have restricted/unrestricted access to resources when planning and researching their tasks
- Ensures conditions for any formally supervised sessions are known and put in place
- Ensures appropriate arrangements are in place to keep the work to be assessed, and any preparatory work, secure between any formally supervised sessions, including work that is stored electronically
- Ensures conditions for any formally supervised sessions are understood and followed by candidates
- Ensures candidates understand that they are not allowed to introduce improved notes or new resources between formally supervised sessions
- Ensures that where appropriate to include references, candidates keep a detailed record of their own research, planning, resources etc.

**Word and time limits**

**Subject teacher**

- Refers to the awarding body’s specification to determine where word and time limits apply/are mandatory
Collaboration and group work

Subject teacher

- Unless stated otherwise in the awarding body’s specification, and where appropriate, allows candidates to collaborate when carrying out research and preparatory work
- Ensures that it is possible to attribute assessable outcomes to individual candidates
- Ensures that where an assignment requires written work to be produced, each candidate writes up their own account of the assignment
- Assesses the work of each candidate individually

Authentication procedures

Subject teacher

- Where required by the awarding body’s specification
  - ensures candidates sign a declaration confirming the work they submit for final assessment is their own unaided work
  - signs the teacher declaration of authentication confirming the requirements have been met
- Keeps signed candidate declarations on file until the deadline for requesting reviews of results has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later
- Provides signed candidate declarations where these may be requested by a JCQ Centre Inspector
- Where there may be doubt about the authenticity of the work of a candidate or if malpractice is suspected, follows the authentication procedures and malpractice information in NEA and informs a member of the senior leadership team

Presentation of work

Subject teacher

- Obtains informed consent at the beginning of the course from parents/carers if videos or photographs/images of candidates will be included as evidence of participation or contribution
- Instructs candidates to present work as detailed in NEA unless the awarding body’s specification gives different subject-specific instructions
- Instructs candidates to add their candidate number, centre number and the component code of the assessment as a header/footer on each page of their work

Keeping materials secure

Subject teacher

- When work is being undertaken by candidates under formal supervision, ensures work is securely stored between sessions (if more than one session)
- When work is submitted by candidates for final assessment, ensures work is securely stored
- Follows secure storage instructions as defined in NEA 4.8
- Takes sensible precautions when work is taken home for marking
Stores internally assessed work, including the sample returned after awarding body moderation, securely until the closing date for reviews of results or until the outcome of a review or any subsequent appeal has been completed.

Reminds candidates of the need to keep their own work secure at all times and not share completed or partially completed work online, on social media or through any other means (the JCQ document Information for candidates – social media should be brought to the attention of candidates).

Liaises with the IT Manager to ensure that appropriate arrangements are in place to restrict access between sessions to candidates’ work where work is stored electronically **IT Manager**.

Ensures appropriate arrangements are in place to restrict access between sessions to candidates’ work where work is stored electronically.

**Task marking – externally assessed components**

**Subject teacher**

- Liaises with the exams officer regarding the arrangements for any externally assessed components of a specification which must be conducted within a window of dates specified by the awarding body and according to JCQ Instructions for conducting examinations.
- Liaises with the Visiting Examiner where this may be applicable to any externally assessed component.

**Exams officer**

- Arranges timetabling, rooming and invigilation where and if this is applicable to any externally assessed non-examination component of a specification.
- Conducts the externally assessed component within the window specified by the awarding body and according to JCQ Instructions for conducting examinations.

**Submission of work**

Emergency evacuation policy (exams)

Purpose of the policy
This policy details how Shenley Academy deals with an emergency evacuation of the exam room(s) by defining staff roles and responsibilities and confirming the emergency evacuation procedure.

When is an emergency evacuation required?
An emergency evacuation is required where it is unsafe for candidates to remain in the exam room. This might include a fire in the exam room, the fire alarm sounding to warn of fire, bomb alert or other serious threat.

In exceptional situations, where candidates might be severely disadvantaged or distressed by remaining in the exam room, the emergency evacuation procedure may also need to be followed. This might include situations where there is severe disruption in the exam room, serious illness of a candidate or invigilator or similarly serious incidents.

Emergency evacuation of an exam room

Roles and responsibilities

Head of centre

- Ensures the emergency evacuation policy for exams is fit for purpose and complies with relevant health and safety regulation
- Ensures any instructions from relevant local or national agencies are referenced and followed where applicable, including information from the National Counter Terrorism Security Office on the Procedures for handling bomb threats
- Where safe to do so, ensures candidates are given the opportunity to sit exams for their published duration
Senior leader

Where responsible for the centre-wide emergency evacuation procedure, ensures all staff and appointed fire marshals are aware of the policy and procedures to be followed when an emergency evacuation of an exam room is required.

Special educational needs coordinator (SENCo)

- Ensures appropriate arrangements are in place for the emergency evacuation of a disabled candidate from an exam room where different procedures or assistance may need to be provided for the candidate.
- Ensures the candidate is informed prior to taking their exams of what will happen in the event of an emergency evacuation.

Exams officer

- Ensures invigilators are trained in emergency evacuation procedures and how an incident and actions taken must be recorded.
- Ensures candidates are briefed, prior to exams taking place, on what will happen in the event of an emergency in the exam room.
- Provides invigilators with a copy of the emergency evacuation procedure for every exam room.
- Provides a standard invigilator announcement for each exam room which includes appropriate instructions for candidates about emergency procedures and what will happen if the fire alarm sounds.
- Provides an exam room incident log in each exam room.
- Liaises with the SENCo and other relevant staff prior to each exam where different procedures or assistance may need to be provided for a disabled candidate.
- Briefs invigilators prior to each exam where different procedures or assistance may need to be provided for a disabled candidate.
- Ensures appropriate follow-up is undertaken after an emergency evacuation reporting the incident to the awarding body and the actions taken through the special consideration process where applicable (in cases where a group of candidates have been disadvantaged by a particular event).

Invigilators

- By attending training and/or update sessions, ensure they understand what to do in the event of an emergency in the exam room.
- Follow the actions required in the emergency evacuation procedure issued to them for every exam room.
- Confirm with the exams officer, where different procedures or assistance may need to be provided for a disabled candidate they are invigilating.
- Record details on the exam room incident log to support follow-up reporting to the awarding body by the exams officer (see below).
Other relevant centre staff

- Support the senior leader, SENCo, exams officer and invigilators in ensuring the safe emergency evacuation of exam rooms

Recording details

As soon as practically possible and safe to do so, details should be recorded. Details must include:

- the actual time of the start of the interruption
- the actions taken
- the actual time the exam(s) resumed
- the actual finishing time(s) of the resumed exam(s)

Further details could include

- report on candidate behaviour throughout the interruption/evacuation
- a judgement on the impact on candidates after the interruption/evacuation
Emergency evacuation procedure

Invigilators are trained in this procedure and understand the actions they must take in the event of a fire alarm or other emergency that leads to an evacuation of the exam room.

What is special consideration?

“Special consideration is a post-examination adjustment to a candidate’s mark or grade to reflect temporary illness, temporary injury or some other event outside of the candidate’s control at the time of the assessment, which has had, or is reasonably likely to have had, a material effect on a candidate’s ability to take an assessment or demonstrate his or her normal level of attainment in an assessment.

Special consideration can only seek to go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in examinations. It cannot remove the difficulty faced by the candidate. There will be situations where candidates should not be entered for an examination. Only minor adjustments can be made to the mark awarded because to do more than this would jeopardize the standard of the examination.”

[JCQ A guide to the special consideration process section 1]

This document is further referred to in this policy as SC
Purpose of the policy

The purpose of this policy is to identify roles and responsibilities in the special consideration process and confirms that Shenley Academy will “submit any applications for special consideration where candidates meet the published criteria.”

[JCQ General regulations for approved centres section 5.9]

Eligibility for special consideration

Roles and responsibilities

Head of centre

- Is familiar with the contents, refers to and directs relevant centre staff to the annually updated JCQ publication SC
- Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies by the exams officer

Exams officer

- Ensures that, where relevant and in eligible situations, applications for special consideration will be submitted to awarding bodies

Teaching staff and/or SENCo

- Provide any appropriate evidence or information that may be required to determine a candidate’s eligibility for special consideration. Candidates (or parents/carers)
- Provide any medical or other evidence that may be required to determine eligibility for special consideration

Applying for special consideration

Where eligible, special consideration will be applied for in a specific exam series where candidates “…have been fully prepared and have covered the whole course but performance in the examination, or in the production of controlled assessment, coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control.”

If a candidate is absent for acceptable reasons, and the centre can verify this, special consideration will be applied for if the exam missed is in the terminal series and the minimum requirements for enhanced grading in cases of acceptable absence can be met. If there is an opportunity to re-enter the candidate in the next available exam series, the centre will make the entry and special consideration will not be applied for

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored in SC 5 and applied for where eligible. This might include, for example:
- other certification
- a short extension to controlled assessment/coursework/non-examination assessment deadlines
- submitting a reduced quantity of controlled assessment/coursework/non-examination assessment (shortfall in work)
- candidates taking an incorrect or defective question paper
- candidates undertaking the wrong controlled assessment or non-examination assessment assignment

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, the centre will follow [SC 7](#) and awarding body guidance to determine if, when and how an adjustment can be applied for.

**Processing applications for special consideration**

**Roles and responsibilities**

**Head of centre**

- Ensures where a candidate may be a member of the family (which includes stepfamily, foster-family and similar close relationships) of the exams officer, the application will be authorised by an alternative member of centre staff

- The processes for submitting a single application to cover all exams *where a candidate is present but disadvantaged* and a separate application for each day *where a candidate is absent from an examination for an acceptable reason* detailed in [SC 6](#) will be followed.

- For other qualifications, applications will be submitted online where the awarding body’s secure system accepts these.

- The paper [form 10](#) JCQ/SC *Application for special consideration* will only be completed and submitted to the awarding body where the online system does not accept applications for a particular qualification.

- For groups of candidates, applications will be made online where the awarding body’s secure system accepts group applications or form 10 will be completed.

- The paper [form 14](#) JCQ/ME *Self certification for candidates who have missed an examination* will only be completed by a candidate where circumstances warrant this and will not be used where the centre knows the candidate was ill.

**Internally assessed work**

- Where appropriate, applications will be made online where the awarding body’s secure system accepts them or form 10 will be completed and submitted to the awarding body.
