Dear parents/carers,

Thank you for all your support of our launch of the virtual school.

The vast majority of students have now accessed online learning and we are working hard to provide laptops and technical support to ensure all students can access the virtual school and online learning.

We would be grateful if you could complete an online form in the link below, which will enable us to assess if any further support is required and current levels of students able to access the virtual school:

Many thanks for your assistance in completing this.

Kind regards,

**D Thacker-Smith**
