6th January 2021

Dear parents and carers,

I hope my message finds you safe and well.

As we move to our live lessons, I wanted to remind everyone of the new staff who joined our team in January. They will be involved in delivering live lessons to their new classes, and while under normal circumstances they would meet their new classes in person and learn all of the students' names, it is not going to be possible in our virtual world to meet in person. Please be mindful and supportive of our new staff, as I am sure you will appreciate this will not be easy for them and it is more challenging to get to know every student's specific learning needs virtually than in a normal classroom environment.

We welcome the following new staff to Shenley Academy this term:

Mr A Rackham	SENCo
Ms A Fox	Head of Art Department
Mr A Hussain	Teacher of Science
Mr S K Bhandal	Head of Department Food Technology
Mr R Horton	Lead Practitioner Science
Mr A Thomas	Head of Department Drama
Ms M Sadler	Targeted Intervention Assistant - Inclusion
Ms G Hipwood	Targeted Intervention Assistant - Inclusion
Ms P Hashmezadeh	Targeted Intervention Assistant - Inclusion

Kind regards,

Dr J Bartlett
