22nd April 2021

Dear Parents and Carers,

We have the pleasure of inviting you to our virtual year seven parents evening. This online event takes place on Tuesday 27th April and will run from 4:00 – 6:30pm. This will be a wonderful opportunity to discuss your child's academic progress with their subject teachers.

Your child will be able to book appointments with their subject teachers from Wednesday 21st April and these slots will be allocated on a first come first served basis. Once all appointments have been made, your child will receive a subject-specific invite via their Microsoft Teams account for their appointments.

We anticipate that this will be a highly subscribed event and therefore must limit all appointments to a maximum of five minutes' duration. Students are not permitted to attend appointments by themselves and must be accompanied by a parent or carer on Microsoft Teams during the event.

In addition to subject-specific appointments, the year 7 pastoral team will be running presentations throughout the evening. This will cover pastoral care, celebrations and rewards, extra-curricular opportunities and the curriculum overview. The presentation will be delivered over three slots and your child will have an invite to each of these so you can drop in at a convenient time.

Pastoral presentation 1 – 16:15-16:30

Pastoral presentation 2 – 17:00-17:15

Pastoral presentation 3 – 17:30-17:45

Our learning support team are also keen to offer advice, feedback and support during the evening. Our Academy SENCO, Mr Rackham, will be hosting a Teams drop-in and will be available to talk to parents of SEND students throughout the full duration of the event.

We look forward to meeting with you at parents evening.

Kind regards,

Dr Jayne Bartlett
