30th June 2021

Dear Parent/Carer

Year 10 students will take mock exams in the majority of subjects they study, over the next few weeks. These exams are important as they give us a solid overview on areas of the curriculum they have grasped well and areas they need to develop.

These exams will take place in classrooms, however they will be under exam conditions. Class teachers will provide the students details of when the assessments will take place.

We politely request that you encourage your child to revise for these upcoming exams.

Please can you ensure that your child is aware of the rules regarding examinations. A copy of the JCQ 'Warning to candidates' is attached.

We are incredibly proud of our students since returning from the national lockdown and these exams will allow your child to demonstrate their progress through the curriculum, despite the significant challenges this year has given them.

Thank you for your continued support.

R Pearce
