30th June 2021

Dear Parent/Carer

Over the next few weeks, your child will be sitting assessments in the majority of their subjects. These assessments are important as they will give a clear overview of the knowledge and understanding students have grasped throughout the curriculum.

These assessments will take place in your child's classroom.

We are incredibly proud of our students since returning from the national lockdown and these assessments will allow your child to demonstrate their progress through the curriculum, despite the significant challenges this year has given them.

Thank you for your continued support.

R Pearce
