Dear Parent / Carer

Re: COVID Vaccinations – students between 12 and under 16 years of age

We have been advised from NHS England that they are now starting to roll out the COVID vaccine for children aged 12 and under 16.

The nursing team will be in school shortly to administer the vaccine to any child whose parent/carer wishes them to receive it.

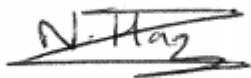

Therefore, if your child is between the ages of 12 and under 16 by 4th October 2021 they will be given a consent form for you to complete.

If you do not wish your child to receive this vaccination, then please complete the relevant section on this form.

Could you then ask your child to hand the form into Reception by Monday 11th October 2021.

As soon as we receive the vaccination date we will confirm it with you.

Yours sincerely

Mr N Haq
Senior Assistant Headteacher
