1<sup>st</sup> November 2021

Dear Parent / Carer,

## YEAR 11 ENGLISH AND MATHS TARGETED INTERVENTION

We are all aware of how important year 11 is in shaping young people's lives. The qualifications they achieve at the end of year 11 will open up so many opportunities in the future. However, we also recognise that the current year 11 students have a number of gaps in their knowledge due to the lost learning time caused by the pandemic.

Currently, your child is one of a number of students that we are particularly focusing on. The outcomes from their current assessments suggest they are going to need some extra support both in and out of school in order to reach what they are capable of.

In order to support students further with preparation for their exams, there are a series of targeted intervention sessions being held in school which we would like your son/daughter to attend:

### Saturday School Dates

- Saturday 6<sup>th</sup> November 2021
- Saturday 13<sup>th</sup> November 2021
- Saturday 20<sup>th</sup> November 2021
- Saturday 27<sup>th</sup> November 2021
- Saturday 4<sup>th</sup> December 2021
- Saturday 11<sup>th</sup> December 2021

The sessions will run from 9:00 am to 12:00 pm, where they will receive additional English and maths support. Students may wear their own clothes when attending this intervention session.

It will be extremely beneficial for your son/daughter to attend these intervention sessions.

Thank you for your continued support.

Yours sincerely

Mrs E Housden

Deputy Headteacher of Curriculum
