Dear Parent/Carer

As per government guidance, **all students unless exempt, must wear a face covering in classrooms as well as communal areas.**

Please be aware that we will keep windows open to ensure our academy is well ventilated. As such it is advisable for students to wear a plain t-shirt or thermal clothing in colder weather under their uniform.

We kindly ask that all students continue to use lateral flow tests twice weekly and upload the results to the Government website. Please inform us if the result is positive as government guidelines must be followed at all times.

Yours sincerely
