

Headteacher: Dr. J Bartlett – NPQH, PGCE, D.Phil, M.Chem **Specialisms:** Mathematics

4th January 2022

Dear Parent/Carer

PE kit timetable:

It is essential that all students bring their full PE kit in order to access the PE curriculum.

The physical education curriculum provides students with the opportunity to become physically confident in a way which supports their health and fitness, and promotes positive self-esteem. Furthermore, competing in sport and other activities builds character and helps to embed values such as teamwork, fairness, respect and resilience.

In order to access the PE curriculum, it is vitally important that students are fully prepared with the correct PE kit, in order to take part in practical lessons on the days that they have PE. Therefore, in order to support you in preparing your child for PE lessons please see below the days of the week that your child will have PE:

Year group/Band	Timetabled PE day
7X	Thursday, Friday
7Y	Monday, Wednesday
8X	Thursday, Friday
8Y	Monday, Tuesday
9X	Wednesday, Friday
9Y	Monday, Tuesday
10X	Monday
10Y	Wednesday
11X	Thursday
11Y	Friday

In addition to the standard PE kit we always like the students to wrap up warm when we go outside in cold weather. When your child is on outdoor activities please encourage them to pack extra layers (preferably black, in order to match their PE kit) to be worn **underneath** their Shenley PE kit. They may also choose to bring gloves and a warm hat.

In the meantime, may I take this opportunity to thank you for your continued support of the academy.

Yours faithfully,

Mr A Blakeway
Head of PE
