14th February 2022

Dear parents and carers,

Year 11 Mock Exam series 1 – Monday 7th March to Monday 21st March 2022.

During the two weeks commencing Monday 7th March, Year 11 students will be sitting a programme of mock GCSE exams for all subjects. These mock exams will inform the school's teaching, monitoring and teacher grade prediction processes, as well as reflect any changes made to the 2022 GCSE examination process as part of the government's response to the corona virus. This is an opportunity for teachers to see what your child can currently do and ensure that they make the best progress possible between now and their exams.

Attached is a timetable of when the mock exams are going to take place; the timetable will also be posted on the school website.

If you have any questions or queries or would like some additional information about the above, please do not hesitate to contact me on martha.wardle@she.e-act.org.uk.

Yours faithfully,

M.Wardle
