Dear Parent/Carer

Many thanks for your engagement at Year 9 Options Evening last week; it was wonderful to see so many supportive families. Today, our year 9's have had their final options presentation from Heads of Departments and the Microsoft form to choose their options subjects is now live.

Please follow the link below to complete the form with your child:

<https://forms.office.com/r/QtF3c7SQX5>

Option A

Your child must pick one choice from Option A. If they want to follow the EBACC pathway, they must pick a language for Option A.

Option B

Your child must pick four choices from Option B, in priority order. From this, your child will only receive two options, meaning their third and fourth choices are reserve options. If your child wants to follow the EBACC pathway, they must pick either geography or history in Option B, this is in addition to picking a language for Option A.

Please note your child will only be allocated 3 option subjects in total.

If you have any questions, please contact jahniah.burns@she.e-act.org.uk or martha.wardle@she.e-act.org.uk for support.

Yours Sincerely

Martha Wardle
Assistant Headteacher
