Sunday Revision on TEAMS

New to the intervention from programme for year 11 is the Sunday revision sessions via TEAMS. During these sessions the students will recap key content for their upcoming exams as well as developing exam technique for their upcoming exams. Please see below the dates and times of the TEAMS revision sessions.

- Geography – Sunday 22nd May 2022, 4 pm to 6 pm with Mr Pearce
- Maths – Sunday 11th June 2022, 4 pm to 6 pm with Dr Bartlett and Mrs Housden

Following the 1 hour revision session, the subject specialist will remain on the call and will answer any questions via the chat function or via email. This is a great opportunity for your child to get the direct feedback from questions they might have done as revision over the weekend.
