

**Headteacher:** Dr. J Bartlett – NPQH, PGCE, D.Phil, M.Chem **Specialisms:** Mathematics

Dear Parent / Carer,

## YEAR 11 MATHS SATURDAY SCHOOL AND SUNDAY TEAMS INTERVENTION

The year 11 students have completed two out of the three maths papers. The students have been working really hard and now it is the final push. Typically, students nationally do not do as well in paper 3 and it is important the students keep going to beat the national curve so they can achieve excellent results. In February the students were told what is going to be on paper 3. This revision session will solely focus on these topics to ensure the students achieve the best possible overall GCSE grade in maths. The date of the final maths exam is on 13<sup>th</sup> June 2022.

### Saturday School – 11<sup>th</sup> June 2022

In order to support your child with achieving the best possible grade it is critical that you encourage your child to attend Saturday school on 11<sup>th</sup> June from 10 am to 1 pm.

Students may wear their own clothes when attending this revision session and they will be provided with a drink and a small snack.

It will be extremely beneficial for your son/daughter to attend this Saturday school revision session. Their maths teacher will be on site to support your child. If you wish your child to participate, please complete the following Microsoft Form.

### Sunday Revision on TEAMS – 12<sup>th</sup> June 2022

On Sunday 12<sup>th</sup> June 2022, 4 pm to 6 pm there will be a maths revision session via TEAMS with Dr Bartlett and Mrs Housden. During this session the students will recap key content for their upcoming exam on Monday 12<sup>th</sup> June as well as developing exam technique.

Following the hour revision session, there will be an opportunity to answer any questions via the chat function or via email. This is a great opportunity for your child to get the direct feedback from questions they might have done as revision over the weekend.

If you would like your child to join, please simply click on the link below and this will take you direct to Microsoft TEAMS session <https://teams.microsoft.com/l/meetup-join/19%3asSsepg5k36qH1hgPTTwqRsKhTK2hEzujypiv0UJzCYA1%40thread.tacv2/1654609425073?context=%7b%22Tid%22%3a%22d3c1ee18-795b-47b2-b4c0-97349c335a0e%22%2c%22Oid%22%3a%22586c6a5f-756b-4c14-b8c2-312330ff2a4a%22%7d>

If you have any questions or queries or would like some additional information about the above, please do not hesitate to contact me via [emma.housden@she.e-act.org.uk](mailto:emma.housden@she.e-act.org.uk)
