ESM/gb

9th September 2022

Dear Parent/Carer,

YEAR 11 AFTER SCHOOL INTERVENTION PROGRAMME

Last year the students at Shenley academy achieved incredible results. They worked incredibly hard to overcome the challenges presented to them as a result of COVID. A key element to their success was fully engaging with the Shenley Academy intervention programme.

Commencing Monday 12th September 2022, students will start their intervention programme. During these sessions students will focus on the exam technique required to be successful in their end of year exams. The knowledge of effective exam technique can mean the difference between getting the grades needed for next steps and not. These sessions will run every Monday, Tuesday, Thursday and Friday from 3:00 pm to 4:00 pm. Below is the timetable of intervention your child will follow.

Year 11 intervention timetable

Monday	English (x band)	Maths (y band)	
Tuesday	Geography	French	Science (y band)
Thursday	Maths (x band)	English (y band)	
Friday	History	Spanish	Science (x band)

It is essential that your child attends these sessions and we very much hope that you welcome this opportunity to further support them to achieve the very best possible GCSE grades.

Yours faithfully,

Mrs E Housden

Deputy Headteacher
