Dear Parent/Carer,

YEAR 11 EASTER INTERVENTION SESSIONS (30TH MAY – 2ND JUNE)

The examination season is now underway and it is more important than ever that your child makes the most of the time available to revise and to secure the best possible grade. The work that students do over half term can make a significant difference to their grades. For example, today was the first maths exam paper, following this we can predict what topics are highly likely to appear on paper's 2 and 3. It is strongly recommend that your child attends these revision sessions and can enter the remaining exam sessions with confidence. Below is the programme that is on offer to the students.

Day	10:00 – 14:00
