20th September 2023

Dear Parent/Carer,

YEAR 11 PARENT'S INFORMATION EVENING 2ND OCTOBER 2023

We would like to invite you to our Year 11 parent's information evening on Monday 2nd October from 5:00 pm to 6:00 pm.

During the evening you will receive the key information such as dates for the year ahead and countdown material for the November mock exams. We will also share strategies you can use to support your child with revision at home including the use of online resources. Heads of Department for maths, English, science, history and geography will be sharing subject specific strategies.

We will also be handing out physical resources for those subjects and showing you how to use them effectively at home. All Heads of Department will be available at the end of the session for specific questions.

This year is the most crucial and pivotal in the academic progression of your son/daughter to date. A year that will end with GCSE exams and the potential for multiple exciting pathways for the future.

The right support from home can be a game changing factor in achieving exam results, we hope that you and your child can attend.

Please register your interest by following the below link or QR code.
