

DHR/GBE

22nd January 2024

Dear Parents/Carers

Changes to Home Learning

We would like to thank you all for your continued support with our new home learning platform, Seneca Learning. This is a homework platform that has been shown to improve academic progress by enabling students to consolidate their knowledge of the curriculum through the completion of homework. We would like to share some changes we are making to monitor and track home learning to support your child's academic success.

All homework tasks will be found on Seneca and links to the tasks will be available on Class Charts too. Each curriculum area will offer weekly tasks in line with the Home Learning timetable on the school website.

To support this initiative, we are delighted to launch Shenley's Homework Club. This will be held in the LRC every day for years 7 to 10 from 3pm to 4pm with a member of staff to support the students with their homework needs. No pre-booking is required to attend and we encourage students to attend on a regular basis starting on Monday 29th January.

Shenley Academy & Sixth Form,

Regional Executive Headteacher: Dr. J Bartlett – NPQH, PGCE, D.Phil, M.Chem **Specialisms:** Mathematics

If your child fails to submit homework tasks in a timely manner, this will result in a homework detention which will be held daily at 3 to 4pm. You will be informed of any issued detention via the normal channels. If your child is persistently not completing homework, this will result in a Curriculum Leader detention and further communication with yourselves to resolve the issue.

It is imperative that each student values the impact of home work to improve their opportunities to succeed not just academically, but to develop important study skills and manage their time effectively.

Do contact the Academy if you have questions about the contents of this letter using the email Shenley.Enquiry@E-ACT.org.uk.

Yours sincerely,

Mrs S Dhir
Assistant Head: Teaching and Learning
