Dear Parent/Carer

Seneca Learning

We are delighted to announce that we have invested in Seneca to support your child's education. This is a homework platform that has proven to improve academic progress by enable students to consolidate their knowledge of the curriculum through completing homework. Evidence shows how effective homework is in improving student progress and success. Please refer to our Home Learning timetable on our school website.

What is Seneca?

www.senecalearning.com is an online learning platform that has high-quality courses for all subjects at Key Stage 3, and GCSE.

Your child will be able to log into Seneca on a phone, tablet or computer and study any of their school subjects. Seneca offers them access to:

- Over 600 online courses covering the exact exam board specifications.
- Text2Speech
- Student engagement with XP points earned
- Instantly marked assignments set by teachers

How should your child use Seneca?

For your child to make the most of this fantastic resource, we recommend:

- Students should complete the homework set by their teachers on Seneca.
- Students should use all the different course types available on Seneca.
- Students should use Seneca little and often throughout the year rather than using it to cram in the weeks before their exams.

All student accounts have been set up with their school email addresses. Students have been told their passwords in school.

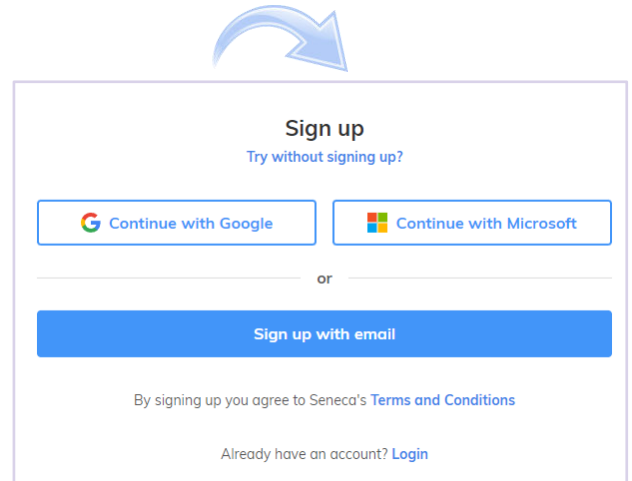

Regional Executive Headteacher: Dr. J Bartlett – NPQEL, NPQH, PGCE, D.Phil, M.Chem **Specialisms:** Mathematics

Parent accounts

Seneca's free parent account allows you to track your child's learning or learn alongside your child. This can help make conversations about school and learning easier.

Just sign up for a free Seneca parent account here:
app.senecalearning.com/parent

You will automatically connect to your child. If you are set up as a guardian in the school's MIS system. Here's what you can expect to see.
